Re: Reissue Application of U.S. Patent No. 5,790,175
Our Reference: 071815/0477

Dear Mr. Williams:

Since we have not received a response to our package sent to you on September 16, 2003 to the above address, we are sending this package to you again.

I am a patent attorney working with Kyle Epple of Rockwell-Collins, concerning the above-identified reissue patent application (assigned to Rockwell-Collins) in which you are listed as a co-inventor.

Attached is a Supplemental Reissue Declaration which I need you to sign and date where indicated, and to please return to me via the attached FEDEX package (whereby the shipping fee will be paid by us, the recipient of the package that you will send back to us).

The reason why I need your signature on the attached Supplemental Reissue Declaration is to correct minor procedural problems that the Patent Examiner found in the Reissue Declaration that was filed with this reissue application on June 27, 2000 (which you graciously signed and dated for us), as noted in an Office Action issued by the PTO. I have attached the relevant page of the Office Action, stating what the problems were in the originally-filed Reissue Application.

I have also attached a copy of a preliminary amendment filed on April 15, 2003, which is referred to in the Supplemental Reissue Declaration (and which added new claims and amended some other claims), as well as a copy of the claims 15-19 that were added by way of the Reissue application filing on June 27, 2000.
